- 16 Stand with left foot in front step with right on 3 elbows bend with hands pointing to toes on 3 and 4, stand up 5 with arms stretched out to side, plea on 6, leap to back on 7 landing and rolling toward the back ending on one knee facing stage right on count 10. Stretch in a semi lunge until 12, roll back to the standing position 13-16. Left hand will be on right shoulder.
- 16 Run to front 45 degree angle throwing right hand out 1-3, bending and rolling through the body 4-6, now facing the back, release body 7-8. While running to the back, turn and open arms out to the front 1-7, turn again to the back on count 8, Pick up your rifle 9-12, run in circle to face the front 13-16.
- 8 Waive rifle 1-2, rifle down on 3 in right hand, circling back up on 4, switch hands on 5, opening the right hand on 5, turn 6-7 to the front. Throw rifle out to the lower 45 degree angle to the left on count 8.
  1. Bringing the rifle back in and flipping up 1-2, circling the rifle around and to the back to end in a cradle position pointing the rifle butt to the upper 45 degree angle to your right. 3-8. Feet will be in the Coupe position.
  2. Make a small cone to the front 45 degree angle 1-2, the nose of the rifle will then come around the front of you to lay on your left hip on count 3, left arm extended out to the left, making 1 large circle to the front with a large lunge 3-4, and then a larger circle to the front 5-8.
  3. On count 1 your rifle will be straight up and down behind and to the right of you. Shoulders will be facing the end zone to your right. (Flag still in the cradle position) Slowly 2-4 the flag will come down to be flat to the front even with your waist. Turning 5-6 back to the front and making a low cone in front with your right hand in the neck of the rifle all the way to a large lunge to your right 7-8.
  4. Open arms with rifle in your left hand while leaning away from the rifle and turning to the back 1-6, making another low cone and lunging facing the back to the right 7-8.
  5. Leap 1-3 to the front, bringing the rifle up and over to the flat position facing the front 4-8.
  6. REPEAT NUMBERS 1-8
  7. On count 1 your rifle will be straight up and down behind and to the right of you. Slowly on 3-4 your rifle will be brought down to facing the front flat across your waist. Your right hand will be on the butt of the rifle and your left hand on the swivel of the rifle to prepare for your toss. You will turn 5-6 making a cone with the butt of the rifle ending in your dip position for a left handed triple.
  8. Hold count 2, slowly bring your arm up and over with your rifle to end with your arm pointing up to the upper 45 degree angle. Hold this position until the music fades out.
